

# Dog & Pony

Once upon a time, there was a boy who delivered the morning papers astride Comanche, his trusty steed. One day, a stray dog decided to adopt the boy, and Maverick, as the boy called him, followed faithfully along behind Comanche, never missing a day. It is for these three merry musketeers whose friendship will live forever, that the Dog & Pony brand is named. Here's to forgotten varieties and the unforgettable pleasure they bring.

PINOT NOIR

CharEva  
Arroyo Seco

This lovely lass from a vineyard high above the Arroyo Seco River is named for the owner's two granddaughters, Charlotte and Eva. Aromas of wild thyme, chaparral, cranberry orange marmalade and raindrops on slate set the stage for a savory, sleek Burgundy-like sensation. Airy and elegant, with soaring acidity and supple tannins.
